Statement:

Kiwi Herbs Ltd is committed to the conservation, sustainable use and enhancement of the local environment for the present and the future. We will meet our commitment through leadership by environmentally responsible practices.

Risk and Precautions:

All activities carried out by Kiwi Herbs Ltd will have some type of environmental impact. The Environmental Management Policy sets out Kiwi Herbs Ltd commitment to:

- Give consideration to the sustainable use of resources in its management decisions.
- Consult appropriately on matters of environmental concern.
- Avoid, remedy or mitigate potential adverse effects on the environment that may arise from company activities.
- Be culturally aware and consult if appropriate.

Sustainable Resource Management:

Strategies that are used at Kiwi Herbs Ltd to ensure sustainable resource management include, but are not limited to:

- Managing the built environment to promote sustainability by minimizing material, water and energy use, using natural assets, renewable energy and material sources effectively and selecting resources in an environmentally responsible manner.
- Encouraging staff to make environmentally responsible transport decisions in their commuting and business travel practices.
- Reducing output of solid wastes and discharges or liquid wastes and airborne contaminants.
- Applying best practice when managing hazardous substances.
- Managing procurement processes to reduce the production of waste by-products and to forge links with suppliers committed to environmental goals.

Ongoing Education and Continuous Improvement:

Kiwi Herbs Ltd is committed to ensuring that all employees and contractors are aware of this policy and commits to the ongoing education of staff on environmental issues.

Legislation:

Kiwi Herbs Ltd is committed to maintaining all legal requirements as a minimum level of performance.
