## New Zealand Marine Fish And Invertebrates

### MARINE FISH Taxonomically determinate

Great white shark/white pointer      *Carcharodon carcharias*  
Basking shark                              *Cetorhinus maximus*

### MARINE INVERTEBRATES Taxonomically determinate

Volute    *Alcithoe benthicola*  
Volute    *Alcithoe fissurata*  
Volute    *Alcithoe flemingi*  
Volute    *Alcithoe larochei*  
Volute    *Alcithoe lutea*  
Giant seep mussel                          *Bathymodiolus tangaroa*  
Snail    *Calliostoma turnerarum*  
    *Cyclostome bryozoan*  
    *Calvetia osheai*  
Hermit crab                                      *Cancellus laticoxa*  
Limpet    *Cellana flava*  
Basket starfish                                  *Gorgonocephalus dolichodactylus*  
Golden volute                                  *Provocator mirabilis*  
    *Cyclostome bryozoan*  
    *Spiritopora perplexa*  
Bryozoan    *Steginoporella perplexa*

### MARINE FISH Taxonomically determinate

Brotula/mottled brotula                      *Bidenichthys consobrinus*  
Frill shark                                      *Chlamydoselachus anguineus*  
Mandarin dogfish                              *Cirrhigaleus barbifer*  
Bramble shark                                  *Echinorhinus brucus*  
Prickly shark                                      *Echinorhinus cookei*  
Lancelet    *Epigonichthys hectori*  
Smooth lantern shark                          *Etmopterus pusillus*  
Round batfish                                      *Halieutaea maoria*  
Sharppnose sevengill shark                  *Heptranchias perlo*  
Sixgill shark                                      *Hexanchus griseus*  
Goblin shark                                      *Mitsukurina owstoni*  
Smalltooth sand tiger                          *Odontaspis ferox*  
Yellow boarfish                                  *Pentaceros decacanthus*  
Whitetail dogfish                              *Scymnodalatias albicauda*  
Sherwood's dogfish                              *Scymnodalatias sherwoodi*  
Pacific sleeper shark                          *Somniosus antarcticus*  
Velvet dogfish                                      *Zameus squamulosus*

### MARINE INVERTEBRATES Taxonomically determinate

Crab    *Elamena momona*  
Red coral    *Errina novaezealandica*  
Pin-cushion star                                  *Eurygonias hyalacanthus*  
Crab    *Halimena aotearoa*
